Scope and Content

14 CH. P. LUBINSKI RABBI OF THE JEWISH CONGREGATION To: Chief Rabbis Council.
HANNOVER, December 30, 1946 Wittekindstr. 34 Telephone 41690 102. Nil Gor Bed I have received your letter from December 2 and will return the shofar to you shortly. I have not received any mail or other shipments for a long time. Especially tefillin, falessin, as well as candles and cigarettes, etc., are urgently needed, as we constantly have large expenses to cover. For example, a kosher meat factory has now been established, which is the only one in the entire British zone. The mikveh will be completed in about 2 weeks. We also have other significant expenses and therefore truly urgently need your shipments. In anticipation of your prompt response, I remain Yours, Rabbi Lubinski. P. LUBINSKI 19 JEWISH CONGREGATION HANNOVER 1 WITTEKINDSTR.
