### Scope and Content

Telegram Transcript Tangier 30 July R. Sternbuch St. Gallen Budapest has been informed of the Swiss plan for the extraction of Hungarian Jews and is collecting the necessary information from the government and the International Red Cross. Have provided for the journey of 500 children and the prospects are growing. Have instructions from America to send provisions to Hungarian camps. The Red Cross has consented to wire the locations of the camps and the number of people who will undertake the distribution. Reichmann Gestetner -- Renee TRAN09 19 EPFRSONENLAHLWC
